

	Career Opportunity Alert Senior Investment Bankers Managing Director
Opportunity	Newbury Piret & Co., Inc. is seeking to add to its highly experienced middle market investment banking team. Our activities include: mergers and acquisitions, private placements, recapitalizations, restructurings, financial advisory services, and fairness opinions. This is an opportunity for a highly motivated, success-oriented individual who seeks to participate significantly in the growth and financial rewards of an enterprise.
Company	Founded in 1981, Newbury Piret & Company, Inc. is a leading middle market investment banking firm providing corporate finance services and valuations. Headquartered in Boston, Newbury Piret is a FINRA licensed broker-dealer serving middle-market companies, the private equity community and business owning families in the United States and internationally. Newbury Piret provides strategic advice in mergers and acquisitions along with financing capabilities which support acquisitions, investments, and recapitalizations.
Job Summary	Source and originate transactions. Establish close relationships with clients and deal sources. With team support, manage multiple M&A and/or other corporate finance engagements including structuring and executing solutions to complex transactional and finance issues. The ideal Investment Banker will act as strategic advisor to clients enabling them to achieve their long-term goals.
Qualifications & Skills	<p>Must have a history of originating and managing transactions for a minimum of 5 years. Deep domain knowledge and specific technical expertise with public and private companies.</p> <p>Track record of independent deal origination. High success rate in closing transactions. Strong relationships within the business and investment community.</p>
Contact	Please send your resume to etodd@newburypiret.com and include "Senior IB Position" in the subject line.
